

Audio-Visual Materials Permission Form

For Shakespeare

**Permission to view films must be signed by parent/guardian
and returned to IA prior to student starting the course.**

Dear Parent / Guardian:

According to Procedure 2311P of the Federal Way Public School Policies and Procedures, students must have written permission from parents/guardians to view any feature-length film/video with a restriction greater than a MPAA rating of "G". One film listed below is not rated, however, the content has been determined to be age-appropriate consistent with the MPAA rating system.

Our Shakespeare class encourages the development of critical and creative thinking, writing, and literary analysis by the study of four plays and several sonnets. While we do not ask students to solely rely on a film for any of the assignments of the course, we recognize the value of viewing a Shakespeare play as a complement to our students' reading. We hope they will benefit from the picture to go with the words.

Students are responsible to obtain a copy of all plays and films.

The following films have been approved by the building principal for this course:

- ? **Much Ado About Nothing (PG-13) 1993**
- ? **Henry V (PG-13) 1989**
- ? **Othello (not rated)**
- ? **Hamlet (PG-13) 1996**
