### Assessment methods

A final passing grade (C) will be earned by meeting the standards for the course. To earn a B or an A, your writing will demonstrate a higher, richer, deeper level of understanding of the concepts taught.

Students may revise work to show achievement of the assignment's requirements, if they do so in a timely manner, and make all revisions in a different color type than the original assignment. Large numbers of assignments turned in at the end of the semester, and tests turned in at any time, may not be revised.

### Criteria for grade determination

Final grades are a compilation of the scores achieved on the assignments listed on the LPC.

### Grading Scale

A = 90% – 100%

B = 80% - 89%

C = 70% - 79%

Audit = 0 – 69%

### Policies

**Academic Integrity** - Academic integrity is essential to learning. Students are expected to complete their own work. Copying, plagiarizing, cheating or other methods of intentional deception are prohibited.

**E-mail and Software Agreement** - Students agree to maintain electronic integrity and face disciplinary measures if they do not abide by their promise.

**Professional Decisions** - Teachers reserve the right to make adjustments to the course content and expectations.

## **Student Expectations**

**Complete all tests, including state required tests for graduation.**

**Contact their instructor each week by sending in several assignments.** This lets the Internet Academy, parents and guardians, the school district, and the state know that students are attending class. It also helps students move at a steady pace toward completing the class in a reasonable amount of time. Students who do not meet this requirement will be withdrawn from the class.

**Have the computer hardware and software necessary for the class work.**

**Communicate with the instructor in a clear, friendly, courteous manner.** This includes signing communications with their full name and the name of the class they are in.

**Communicate in Standard English.** "e-english," the informal, lower-case, run-together communications used in chat rooms, is appropriate for the audiences and purposes of some e-mail. It is not appropriate for communicating with an instructor in class.

**Turn in original work.** Internet Academy teachers monitor for intentional deception through the use of an on-line subscription service and IA email archives. The consequences for intentional deception (copying, plagiarism, cheating, using someone else's work) may result in: no credit for the assignment, parent contact, and/or failing the course.

**Do their very best work at all times.**

**Proceed at a steady pace toward finishing the class.**
