## Internet Academy Getting Started Information

For [First Name] [Last Name]

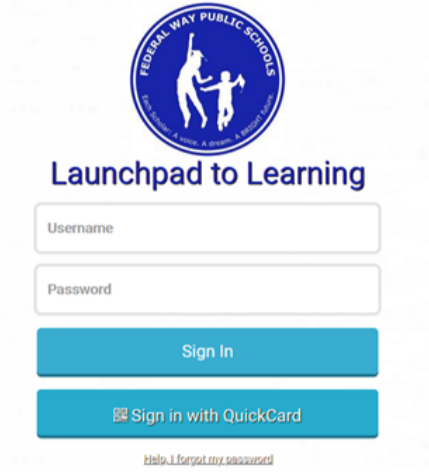

All parent & guardian email accounts on record receive this important message.  
[You must share this with your student.](#)

What's included:

- Introducing Launchpad to Learning – your gateway to Internet Academy (and more)
- Student Username & Password
- Parent and Guardian Observer Account information link
- Instructions to access your class(es)
- Tech tools: Student Email, free Office365 & more

### Internet Academy students have one login portal for their FWPS technology tools:

Please login using your FWPS login username & password (no need to use email address)

### Launchpad to Learning

Login URL: <http://learn.fwps.org>

Username: <ID>

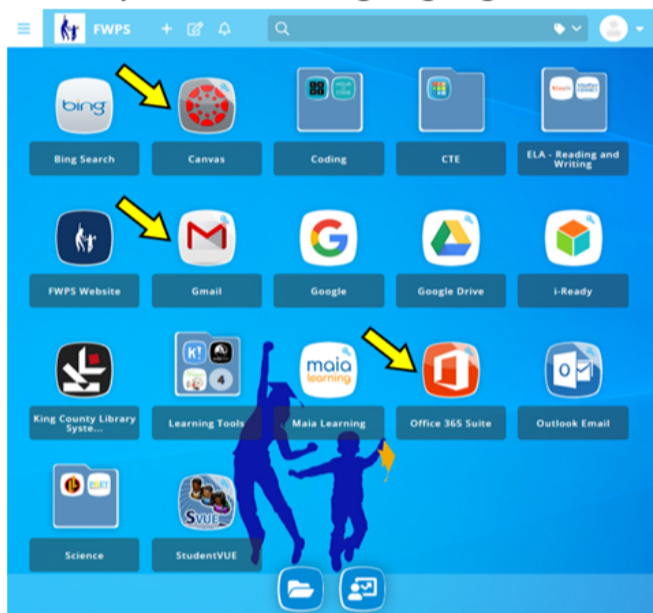

Password: <Password>

Student Password Reset Request → <https://www.iacademy.org/password-reset-request>  
Use this if you are experiencing problems logging in.

There is only one password for all FWPS accounts, including Canvas, Google & Office 365.

Parent & Guardian Canvas Observer Account: [Learn more → https://www.iacademy.org/ia-campus-observer-account](https://www.iacademy.org/ia-campus-observer-account)

### Launchpad to Learning Highlights: Canvas, Gmail, Office 365

#### Canvas: It's Internet Academy

Click the button and enter iA campus. Canvas is where you'll access all your iA classes. More information about getting around your Canvas account is below.

#### Gmail: The official student email address (check often!)

The student Google account username/Gmail address is <ID>@p12fwps.org

Use the Gmail address to log in to the Google account.

#### Office 365 Suite: Microsoft Office tools, including Word, Excel & More

Download Office 365 for free!

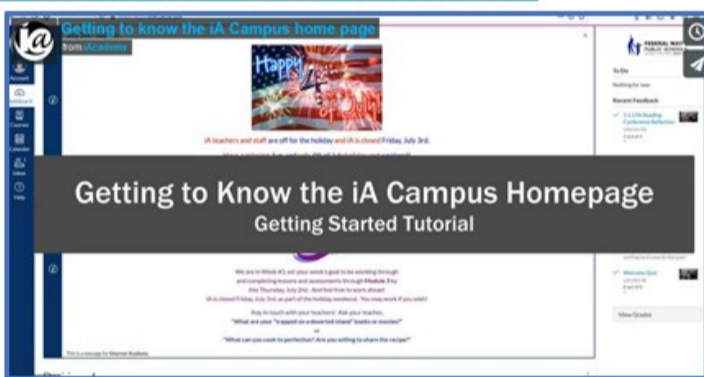

Student Office 365 username is <ID>@fwps365.org

Use the Office 365 username to log in to Office 365 Suite

The password for Canvas & all tech tools is the student FWPS Launchpad to Learning Password

### Internet Academy on Canvas – Getting around your online campus

[Click to take a video tour of the IA canvas dashboard](#)

### Text-based access instructions

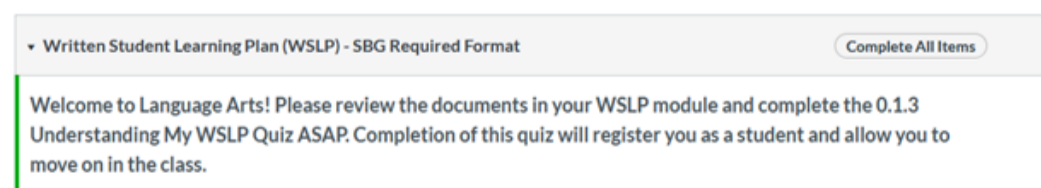

The home screen: announcements & course dashboard

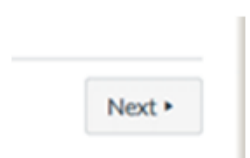

Click a course "card" on the dashboard to open the course

Begin with the Written Student Learning Plan (WSLP) section to complete enrollment in the course.

When you're done with a page, click the Next > button in the bottom right corner to move forward.

Your teacher is ready to help you with course questions. Contact them! (The tour will show you how!)

### Technical Support

Use the contact form on [iacademy.org](http://iacademy.org) or email [launder@fwps.org](mailto:launder@fwps.org)

Password Reset Requests: <https://www.iacademy.org/password-reset-request/>

Have a great year!
