

Anatomy and Physiology 1-1

Course Basics			
District Course Code:	Grade Level:	Credit Value:	NCAA Approved:
SC7160	10-12	.5 LAB credit	YES
CEDARS Code:	Course Length:	Course Time:	FWPS Standards (link)
03053	18 Academic Weeks	56 Minutes per day OR 4 hours 40 minutes each week	FWPS A&P Standards
Prerequisites: None			
<p>Required Materials: Internet access, computer, printer, printer paper and ink, modern OS/software/web browser, headphones with microphone- <i>if not built into computer</i>, web cam for virtual sessions and some possible assessments.</p> <p>Due to Covid, all labs have been made accessible without the purchase of materials. However, if students prefer a hands-on approach, and are able, the following lab materials can be purchased.</p>			
1.2.4 lab: <ul style="list-style-type: none"> • 2 Pens • 1 metric ruler (with mm clearly marked) • 1 friend or family member to assist • 1 cup containing hot tap water • 1 cup containing ice water • 2 metal spoons • Masking tape (or any kind) • Paper towels • Scratch paper and pen/pencil • 1 pencil with an eraser • a timer 	1.3.4 lab: <ul style="list-style-type: none"> • 2 people (yourself and a volunteer) • open area • 8 post-it notes (or pieces of paper) • marker • blindfold • diagram of locations of listener and noisemaker locations (see procedures) • data chart for recording data • tape measure (or meter stick) 	2.1.3 lab <ul style="list-style-type: none"> • 1/2 cup easy to break down foods such as bread, banana, cereal, etc. (avoid hard to break down foods like steak, beef jerky, etc.) • Large bowl • 1 plastic cup • 1/4 cup water • Gallon sized Ziploc plastic bag • 1/2 cup acidic liquid (vinegar, orange or tomato juice, or water with 1 tsp lemon juice) • 1 Straw • Scissors • paper towel or toilet paper tube (or other similarly shaped PVC pipe if you have it laying around). • pantyhose, cheese cloth, or similar thin porous cloth-like material (one end should be closed/tied off, the other end open) • Plastic tub/sink • Food coloring (red and one other color). • Large glass or jar 	
<p>Course Description: In this LAB based course students will explore the anatomy or structure of the human body. In addition to learning anatomical terminology, students will study and the main systems of the body-- including integumentary, skeletal, muscular, circulatory, respiratory, digestive, reproductive, and nervous systems. In addition to identifying the bones, muscles, and</p>			

organs, students will study the structure of cells and tissues within the body.

Instructor Information

Name: Stephanie McDonnell

Email: smcdonne@fwps.org

Remind App Code: Found on Welcome Page

Virtual Sessions: daily by appointment or as posted on Welcome page

Expected Learning Outcomes

In this course, students will	Explore scientific inquiry skills and the connections within systems within the human body.
Standards Alignment	See Course Learning Plan Contract (LPC)
Assessment Methods	<p><u>Formative Assessments:</u> Discussions Assignments</p> <p><u>Summative Assessments:</u> Content Quizzes Anatomy Quizzes Labs Exams</p>
Grading Methods	All summative assessments will be graded according to the corresponding rubric or teacher directions. Only summative assessment scores will calculate towards a student's final grade. Each summative assessment is linked to a FWPS Priority Standard (PS).
Credit Recovery Grading Policy	<ul style="list-style-type: none"> • Work can be excused based on evidence that shows standards have been met in the previous class • Pre-assessments • Must pass all assessments with a minimum of 70% • The ONLY passing grade that can be earned is a C
Grading Scale	<p>9-12 A = 90%-100% B = 89%-80% C = 79%-70% P = 60%-69% F = 59%-0%</p> <p>CR C= 70%-100% F= 0%-69%</p>

	<p>6-8 Excelling (EX)= 90%-100% Meeting (ME)= 70%-89% Approaching (AP)= 60%-69% Beginning (BE)= 0%-59%</p>
--	---

Student Expectations	
Weekly Work Completion	Students will submit original work in all classes each week.
Original Work Submissions	Students will only submit their original work. If a student uses outside sources in the creation of their original work, citations must be present in the format requested by their teacher.
Weekly Communication	Students will communicate weekly with their teachers regarding their academic progress.
Functioning Technology/ Required Materials	Students will always have constant and consistent access the functioning hardware, software, technology, and required materials necessary to complete their coursework in all classes.

iA Policies Required for Enrollment	
Academic Integrity	<p>Academic integrity is essential to learning. Students are expected to complete their own work. Copying, plagiarizing, cheating or other methods of intentional deception are prohibited and could result in the student's removal from the class or iA entirely.</p> <p><i>iA Policy-</i> <u>1st Offense:</u> The student will be contacted by the teacher via phone call, the student will be made aware of the plagiarism and examples of how this can be avoided will be discussed and shared. Direct instruction on plagiarism will be delivered by the teacher. iA Administration and other teachers will be made aware of the plagiarism. <u>2nd Offense:</u> The student and parents will be contacted by the teacher directly and the student will have to complete the plagiarized assignment without plagiarism before moving on in the course. iA Administration will be made aware. <u>3rd Offense-</u> The student will be withdrawn from the course or iA depending on the severity of the plagiarism and the frequency that it is happening in other courses.</p>
WAC (Weekly Academic Contact)	State regulations require students in online programs to have weekly academic contact with each teacher. This occurs by engaging with the curriculum and online instruction, submitting assignments to make progress in learning, and successfully completing courses. Students have multiple opportunities and methods to achieve weekly academic contact and receive teacher assistance and feedback: email, message, live online sessions, assignments, phone, and/or face-to-face meetings by appointment when applicable and in accordance with social distancing guidelines.

	<p><i>WAC Policy- If a student consistently fails to meet WAC requirements after 20 consecutive days they will be withdrawn and their neighborhood school will be notified to enroll them there. To re-enroll with IA you must have a meeting with an administrator. Above is the policy through December 31st,2020.</i></p> <p>Beginning in January 2021, in accordance with new state law the iA Weekly Academic Contact policies are changing. To ensure the success of all iA students, Weekly Academic Contact is required to remain enrolled at iA. 1st week missed WAC= Notification of missed WAC that informs students and parents of the consequences of additional missed WAC. (Step 1) 2nd consecutive or 3rd cumulative week of missed WAC= The student and parent must conference with a designee to discuss the missed contact, administer a “screener”, and develop a data-based interventions plan. (Step 2) 5th consecutive OR 6 cumulative of missed WAC= BECCA petition will be filed. (Step 3)</p>
<p>MAP (Monthly Academic Progress)</p>	<p>State law also requires enrolled students to maintain monthly forward progress toward completing classes with success. Students are expected to complete one monthly module of at-standard work or have completed the teacher-prescribed plan as assigned by the certificated teacher of that course. If the assigned at-standard work is submitted, the student will be considered on pace (OP). If the assigned work is not submitted and/or is not at standard, the student will be considered behind pace (BP).</p> <p>An overall Monthly Academic Progress (MAP) score will be emailed to every student and family once a month by the iA Connect teacher to communicate overall progress towards mastery and passing of the courses; law requires BP students to reply with confirmation of the MAP report and iA teachers to document that reply. If students don't immediately reply, teachers are obligated to keep trying for a reply through additional emails or phone calls. Replies must be from the student; parent replies are not sufficient.</p> <p>Students are either On Pace (OP) or Behind Pace (BP). If a student is considered OP (by the individual teachers in individual courses) in 50% or more of their courses, they will be considered OP overall. If a student is considered behind pace (by the individual teachers in individual courses) in more than 50% of their courses they will be considered BP overall. If a student is determined to be BP for consecutive months, the iA Connect teacher will send escalating intervention plans each month by email.</p> <p>BP1 means one month behind pace; intervention typically is a new work pace plan. BP2 means two months behind pace; intervention is typically a new work pace plan and directed teacher contact. BP3 means three months behind pace; course reduction or withdrawal from iA (see below for greater detail). BP4 means complete withdrawal from iA (see below for greater detail). Students withdrawn from iA at BP4 may not re-enroll until the following school year</p>

Email/Software Agreements	Students agree to maintain constant and consistent access to the technology and software needed to complete their iA courses. If the student cannot maintain constant and consistent access to needed technology they will be withdrawn from iA.
Professional Discretion	Teachers reserve the right to make adjustments to the course, content, pacing, and expectations at any time. Students and parents will be notified via email of any changes made after the course has started.
