School Mission Statement

By building meaningful relationships, Internet Academy will create responsive and individualized academic experiences in an online environment that prepares scholars to be confident and competent 21st Century adults.

Our School Goals

Our school goals align with the district strategic plan:

Goal 2- Whole Child: Thriving, Confident, Responsible Individuals

Pride Points

- Alternative option for scholars with unique academic and social emotional learning needs
- Caring, accessible teachers that are able to meet the individualized learning needs of scholars

Area of Focus

- Systems of support to increase student advocacy and voice in the learning process

Goal 4- Content-Area Competence: Mastery of All Subjects

Pride Points

- Alternative option to support unique academic needs—scholars are able to access curriculum online and have access to certified teachers
- Scholars have access to standards-aligned curriculum that is self-paced and designed to meet the unique needs of every learner

Area of Focus

- High quality learning experiences that provide opportunities for scholars to receive meaningful feedback toward their learning
